

**A fun evening of wine tasting, hors d'oeuvres and music  
Friday, May 11, 2018 at The Huntington Club of Ohio Stadium**

For 44 years Creative Living has existed as a non-profit organization encouraging independent living for adults with severe physical disabilities by providing wheelchair accessible housing and assistance and by creating a supportive environment for people to learn, work, live and contribute to our community.

Our largest yearly expense is the Resident Assistance Program. This unique program provides residents with on-call assistance 24 hours a day, 365 days a year, making it possible for our residents to live in their own apartment since help is just a call away. While our residents pay for a portion of these costs, the balance is paid through funds we receive as a result of events and direct contributions from Creative Living friends and corporate support. 100% of the proceeds from our annual fundraising events support this unique program.

Creative Living is a resource that empowers its residents to exceed in all areas of life. With your support, we can continue to fund our Resident Assistance Program which enables our residents to pursue their dreams and live independently.

We appreciate your consideration for financial support of Bouquet of Flavours, an exceptional wine-tasting event. Our event, to be held at The Huntington Club of Ohio Stadium, takes place on May 11, 2018 from 6:00 to 9:00 p.m. We offer the following levels of sponsorship:
